A. Introductory Comments

Based on the above amendments and remarks to follow, reconsideration of this application and entry of this amendment under Rule 116 is respectfully requested.

This amendment is responsive to the second and final office action dated February 1, 2007. Although it is believed that no fee is necessary, nevertheless, it is requested that Deposit Account Number 502158 be charged for any fee required for the entry of the amendment.

When filed, this application contained 14 dependent claims and 7 independent claims. In response to the first office action, original claims 1, 4, 5, 7, 10, 11, 13, 16 and 18 were amended. Original claims 14, 15, 17, 19, 20 and 21 were canceled without prejudice, and new claims 22 and 23 were added.

In the second and final office action, claims 1-5, 7-11, 22 and 23 were rejected under 35 U.S.C. 101, as being directed to non-statutory subject matter.

In response to the rejection, claims 1, 4, 7, 10, 22 and 23 have been amended, as set forth in the next section.
